

Palomares 4-H Gazette May 2018

This month we had a very special community event for all the 3rd graders from four schools in the Eden area.

Eden Area Ag Day

On Thursday, May 3rd, third graders from four surrounding schools gathered at Rowell Ranch Rodeo to learn about agriculture, including animals, bees, gardening, how to rope a cow, and more. Palomares 4-H showed off several animals, including a rabbit, two sheep, a horse, two dogs and a chicken. The 3rd graders were all very excited to pet and feed the animals, and some of the adults, too. We also showed off a display of what 4-H is about, with awards we have won at fair, and even a robot built by our 4-H Robotics Club.
