

Palomares 4-H Gazette May 2019

Hello and welcome to May! This 4-H year is nearing its end, but fair is coming up soon!

American Sign Language Project

“This month in ASL we have learned some new signs. We have learned to sign a lot of animals like dog, cat, bobcat, horse, rabbit, duck, and so on. We are learning the alphabet and numbers too. We are learning to sign the words to a country song called ‘Boondocks’ by Little Big Town. Next month we are looking forward to working more on learning the song.”

— Emeline Halsted, American Sign Language member

Palomares 4-H Gazette May 2019

Ag Day, Parade & Float

Recently this month we had the Eden Area Ag Day. Palomares 4-H attended and brought along the float that the float committee built, seen above. The sides of this float contained posters of our different projects, greatly enhancing our exhibit. We started the groups of students off at the front of the float where they were given a presentation by Mr. Robbins about what 4-H is. After the presentation, the students were taken on a tour of the float, with each project being presented to them by one of the 4-H members. After the tour, the students could go see some chicken food and treats, and visit the few animals we had there. Overall, it was a great success.

The float will also be presented at the Rowell Ranch Rodeo Parade this coming Saturday on May 11. Participants who want to walk in the parade are welcome, as we are a bit short on people. If you are interested, please see Jeff or Annette Robbins immediately. Come and help support our club!

4-H monthly club meetings are held on the second Wednesday of the month, at 7 pm at the Castro Valley Moose Lodge.
