

Palomares 4-H Gazette September 2018

Welcome back to 4-H. It's a new year! We are looking forward to learning new things and working together as a team in 4-H.

Palomares Library Display

We set up another library display at the Castro Valley Library. Club officers met to plan and put together the display, while numerous people contributed items for the display, such as projects and fair awards; the awesome display board in the center really sets the stage by telling what we are as 4-H and what we do. Thanks to whoever made it!

Palomares 4-H Gazette September 2018

Palomares 4-H at Fair

This year at fair, three of our project groups participated at fair. Dog and horse groups competed in competition such as Dog Agility, and won several awards apiece. The robotics group entered several robots at fair and won best of show.
